COUNCIL BUSINESS: At the July Council meeting:

- The Council held a hearing for the public to comment on the proposed Tree Ordinance. After hearing from members of the public who attended or who submitted written comments prior to the meeting, the Council passed the proposed ordinance with amendments. The full ordinance may be viewed on the Town's website: http://www.beauxarts-wa.gov/pdf_files/Ords/ord358_tree_ord.pdf
- The Council adopted Resolution 243 setting fees for Tree Removal Permits.
- Councilmember Eulau reported that he has identified leaders for eight of the nine Emergency Preparedness Blocks in Beaux Arts and that at least three of the leaders have had meetings to discuss the 'Map Your Neighborhood' program.
- The Council tabled discussion about the Town's No Wake buoys, including whether to relocate them, until the September meeting.

NEXT COUNCIL MEETING: The next meeting of the Town Council will be held at 7:00pm on Tuesday, September 9, 2008 at Steve Eulau's house.

TREE REMOVAL: Please remember to contact Jay Shepherd at Washington Department of Fish and Wildlife, (425) 379-2301 or eagle4@dfw.wa.gov, for a site-specific bald eagle management plan if you are planning construction, or for any type of tree removal *as well as* Deputy Clerk Angela Kulp for a tree permit under the new Tree Ordinance.

NEXT WABA MEETING: The next meeting of the WABA Board of Trustees will be held at 7:00pm on Thursday, August 7, 2008 at Dan Bridges' house.

BEACH REMINDERS: The beach is looking fantastic! Everybody has been pitching in. There is a strong correlation between warmer temperatures and beach activity. Please remember:
Garbage- Pack it in, pack it out. We have added 2 more recycle cans but they only are picked up twice a month. Overflowing garbage cans lead to a big mess and fat crows, so please take your trash with you!
Guests - Our beach is private. Members must accompany guests at all times. Vehicles must have parking stickers or passes to avoid a ticket. Members need a reservation for groups of 12 or more. Please make your reservations and get your parking passes from WABA Clerk Gail D'Alessio. The beach does already have several reservations for August, so please be respectful of your fellow neighbors and check with Gail if you are planning to entertain guests at the beach at any time. Please also carpool or walk whenever you can!
Patrols- Our Town Marshal reminds us King County Sheriff will be patrolling the beach and our parking lots around our 10:30 pm curfew throughout the summer. Only WABA property owners are allowed on the beach after curfew. Please consult your Green Book, Section 11 for additional beach rules. Thank you for doing your part to keep our beach safe and clean! – Beach Master Forrest Kulp and the WABA Board

THANK YOU: We want to give a big thank you to our Beach Moms Becky Ryals and Leslie Leber. If you have any questions regarding the beach activities or lifeguards, please contact Becky or Leslie.

SPECIAL THANK YOU: The Centennial Parade and Picnic were a great success showing the wonderful character of our Village. Many hours of hard work went into making these events successful; we give a special thank you to all of the leaders, volunteers and participants who made it happen. Being involved enables you to experience the friendship and spirit of our community. – WABA Board

•**PICNIC July 4th** We had a Fabulous Centennial Picnic, *Thanks to You!* The picnic turned out beautifully and we escaped the forecasted rain! Thanks to a community effort, we had enough parking spots for everyone, visitors were able to visit their former homes, and we ended up with much more than green bean casseroles at the picnic! Please know that the out of town visitors all appreciated the efforts you put in to making this one of the most memorable picnics of the century! It took nothing short of half the village (or so it seems) to pull this off. A special thanks to our committee chairs for enduring our numerous emails and phone calls!

FOOD WASTE: Allied Waste says we can add food scraps to our yard waste bins. Up until recently, they only allowed yard waste. It could help cut down on garbage and possibly save money on garbage service by choosing a smaller can. For more information, go to:
